## Message from THE PRESIDENT

Greetings in the name of our Lord Jesus Christ.

What a difference a year makes. None of us has ever witnessed anything like this within our lifetime. In these unprecedented times when COVID-19 continues to spread and to impact almost every individual and organization across the world directly or indirectly, The Boys' Brigade movement in Asia are also deeply affected now and in the times to come. As it is not yet clear what the current pandemic situation holds in future, it is important to hold fast what our Lord has promised us. Faithfulness and Prayers is the key moving forward.

To triumph over the pandemic, we need to carry on in the spirit of spirit-de-corps. Faithful cooperation and hearty engagement are of paramount importance to maintain the discipline of the BB movement. As the president of BBA, I am very encouraged with our BBA Prayer Fellowship with every Countries EXCO. We are able to see each other, fellowship and to pray for one another.

In the midst of this challenging times, we have found some degree of joy in acquiring new skills navigating the internet. A variety of online platforms make conferencing with BB family and friends a more pleasant experience during this time of physical distancing. BBA events may actually have a broader reach, with the pervasiveness of digital cameras and videos. BBA International conference is a good example. We have over 20 countries who participated actively in the conference.

Extension works never stopped in BBA. With online technology, our extension team introduced BB ministry and conducted Officers training to Nagaland, India. We have received news that the 1<sup>st</sup> Nagaland BB Company meeting was held in September. All glory to God. BB ministry in Japan is on hold due to unable to find a sponsoring church. Let us continue to pray for BB ministry in Japan and Nagaland.

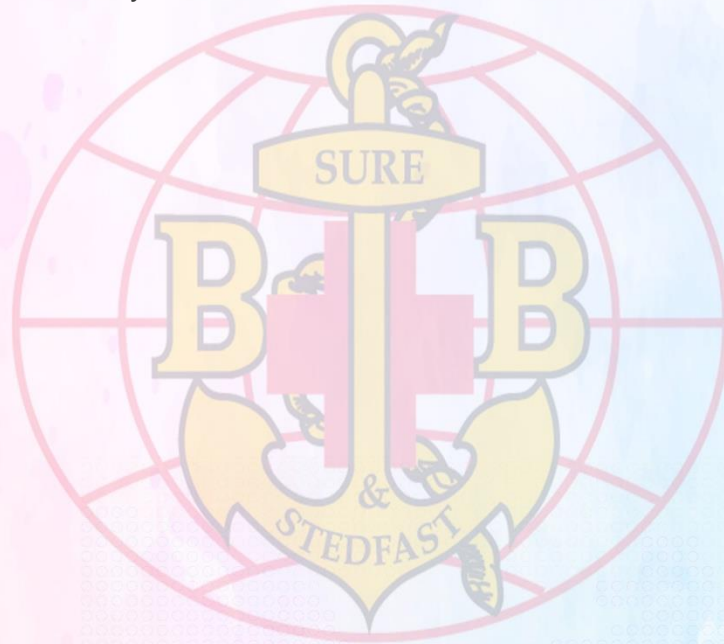

This year we have lost two active BB officers to COVID-19. On behalf of BB Asia, we want to express our deepest condolences to the family of Pastor Ravindren Arumugam (Chaplain of 9<sup>th</sup> KL, 12<sup>th</sup> KL and 1<sup>st</sup> SB) and Mr Chong Woie Ming (Lieutenant of 12<sup>th</sup> Kota Kinabalu Company, Malaysia). We also want to express our deepest condolences to the family of our good friend, the late Mr Lo Hoi Fook. He left us so suddenly but we know now he is with our Lord in heaven. Mr Lo was a great friend to us and to BBA. A true friend is never truly gone. His spirit lives on in our memories and the legacy he left behind as BBA.

Finally, I want to give my sincere thanks to my EXCO team. Your comradeship, encouragements, affirmations, and prayers lifted me and supported me for the past 3 years as your President. May God continue to use BBA to advance His kingdom in Asia and beyond.

In His Service,

Sunny Wu  
BBA President

## General Secretary's Report

At the start of 2020, no one could have predicted how the world would be impacted by COVID-19!

By March or April, BB Companies all over Asia were struggling as lockdown restrictions hit and BB activities cancelled. This challenging time presented a great opportunity to learn and grow together as BB family. All across Asia, countries and companies were exchanging ideas, learning to come together and trying new things, sharing experiences and lessons. We are encouraged to see how different countries came together to organize activities and programs. In the next few pages, you will read countries report, their struggles, joy and triumph over COVID-19. We also need to support BB countries that are still heavily affected by the pandemic. Physical meetings are still not encouraged in few countries as I penned this report.

Before COVID-19, live streaming of BB meetings were never heard of, but since the onset of the pandemic, live-streaming is the new norm for their BB companies meeting. BB companies around Asia are using live streaming services such as Facebook live, YouTube live, Zoom, Google+ and Periscope – not to mention the number of third party streaming services that allow for multiple platform simulcasting – to share words of encouragement to the online community.

BB Asia embraced the use of live streaming. After our EXCO physical meeting in Singapore in January 2020, we held all our EXCO meetings over zoom. BBA 13<sup>th</sup> and 14<sup>th</sup> General council meeting were conducted over zoom too. We thank God for the technology. With live streaming, we were able to meet even more regularly, and that too with negligible financial cost to BBA and member countries.

The Executive Committee has met on the following occasions:

- 1-3 March 2019 EXCO Retreat, Kuala Lumpur, Malaysia
- 3-6 May 2019, 1<sup>st</sup> ECM at Yogyakarta, Indonesia
- 10-12 January 2020, 2<sup>nd</sup> ECM at Singapore
- 6 Jun 2020, 3<sup>rd</sup> ECM via zoom
- 29 August 2020, 4<sup>th</sup> ECM via zoom
- 21 November 2020, 5<sup>th</sup> ECM via zoom
- 13<sup>th</sup> GCM, 28 November 2020, via zoom

- 30 January 2021, 6<sup>th</sup> ECM, via zoom
- 4 February 2021, 7<sup>th</sup> ECM via zoom
- 5 June 2021, 8<sup>th</sup> ECM, via zoom
- 18 September 2021, 9<sup>th</sup> ECM via zoom
- 20 November 2021, 10<sup>th</sup> ECM via zoom

A separate report will be presented by the Honorary Treasurer. In general, the current financial health of BB Asia is stable. We thank God for His provision through churches and individuals who have contributed generously to our funds.

One of the program highlights was the 1<sup>st</sup> BBA International Virtual. About 300 participants registered from over 20 countries participated. Mr Nicholas Yeap will be reporting more on BBA program and development in his report

With current pandemic situation, We are forced to think out of the box to be creative with the new norm. Trainings and extension are run virtually. Mr William Wong report for a full coverage of the various extension and training activities carried out during the last one year.

Needless to mention, COBVID-19 has been a significant challenge for all of us. The certainties of life and the foundations that we have depended on have vanished, or at least been rocked. Captains and Officers are being as innovative as possible to create ways to communicate and remind their members that “Jesus Christ is our foundation” (1 Corinthians 3:1

I am grateful to see members rising up to overcome these new challenges of our times. If there's a silver lining to the current pandemic, it is that we can communicate more with one another and with God. Officers can come together to intercede for one another using the virtual platform and we thus enable us to meet up even more regularly.

Resien Chiu  
General Secretary

## Extension and Training Report

The work of extension and training was mostly affected by the unprecedented turn of event in 2020 to 2021 where travel and physical gathering were limited. However, BBA commitment to expansion of Christ's kingdom is unrelenting. The team continued to seek for ways how to advance BB ministry in Asian countries. And because physical training was not possible, the team extended the support to developing countries through online mentoring/small group training.

### MISSION NIGHT

Virtual Mission Night was organized to introduced countries to start BB ministry where local missionary or ex-officer working in the country was invited to share.

Officer from BBA member countries joined the Virtual Mission Night on **5<sup>th</sup> May, 2021**. It focused on the country of India. A time of prayer was dedicated to the country due to the COVID situation caused by the Delta Variant. Everyone got a better understanding of the India through the sharing of 1<sup>st</sup> Telangana Captain and their Chaplain. And a door is opened for BB ministry in Nagaland, India.

## INDIA

There are four BB Companies in India. Three of the companies are in the area of Pune. Pune is a city in the western India state of Maharashtra. Due to some circumstances, all three companies decided not to be part of BB Asia. Another BB Coy is 1<sup>st</sup> Telagana. Telagana is a state in Southern India . Mr Roger Ong from Singapore started this company 4 years ago as his personal mission. We had an online meeting with 1<sup>st</sup> Telagana on 7 April. Ps Naik of 1<sup>st</sup> Telagana joined most of BB Asia online program for the past 2 years. We are happy to be partnering with 1<sup>st</sup> Telagana to advance Christ Kingdom in India

## Nagaland

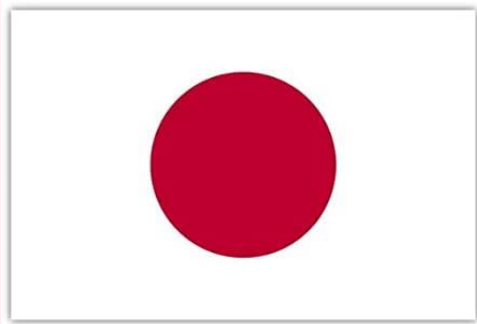

Nagaland is a mountainous state in the northeast India, bordering Myamar. Through pre-recorded video BBA Staff Mr. Ho Hee Mang and Ms. Melissa Amado introduced BB to the parents and the students of Life Foundation School, Nagaland, India during the chapel time in 11<sup>th</sup> of October, 2021. This is the school initial step in starting BB program.

Five teachers from Nagaland, India committed to serve God through BB ministry. The two BBA Staff conducted the online training weekly in July, 2021. The new officers are teachers from Life Foundation School in Nagaland. The school is a Christian school and the administration is keen to do BB program.

During the Closing Night, Mr. William Wong, BBA VP for Extension and Training shared inspiring message. Mr. Nicholas Yeap, BBA VP for Program and Development, and Madam Resien, BBA General Secretary graced the night with their words of encouragement

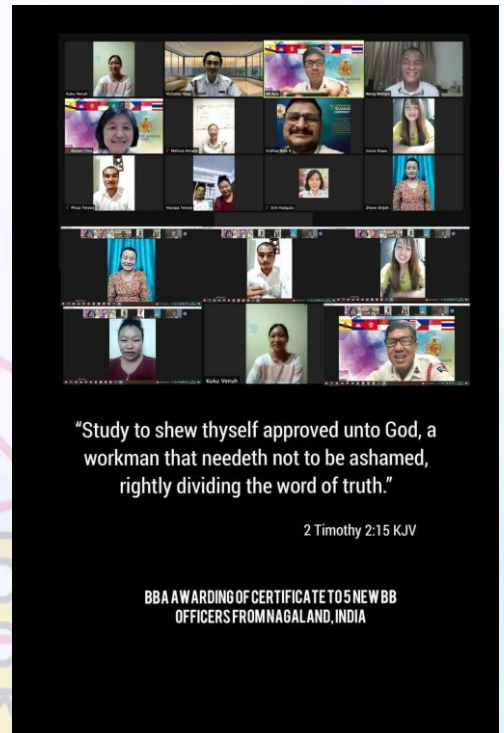

### Japan

Due to COVID-19, BB Ministry in Japan halted. Mr Albert Cheng and his team, mostly ex BB officers from Malaysia are ready to start the first BB Company in Japan. Unfortunately churches approached by Mr Albert Cheng are not open to the idea of youth wearing uniform. Let us continue to pray for BB ministry in Japan that God will open door for BB.

### Trainings

Our two full-time staffs are invited to be trainer and speaker by BB Indonesia and BB Philippines. Our staff also conducted online training with BB Countries in Africa.

## PROGRAM AND DEVELOPMENT

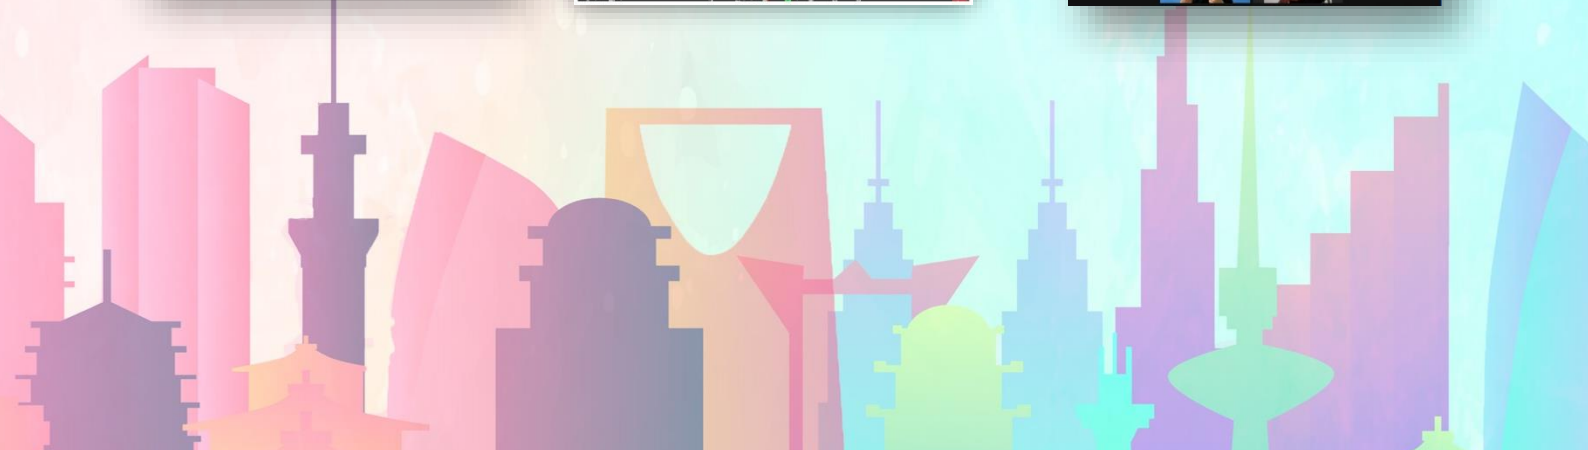

Despite the current pandemic crisis, BB Asia continues to run programs and development virtually. The Program and Development Team stayed on track in strengthening and building relationship among BB Asia countries, more so this time of uncertainty when support, prayer and encouragement are much needed by everyone. BB Asia continues to reach out through its online programs and development.

### BBA COUNTRY PRAYER AND FELLOWSHIP

The monthly prayer and fellowship of BBA EXCOs with the member country EXCO is a great source of encouragement to one another. The physical meeting restriction this time of pandemic made possible the fellowship between the EXCO. Truly God's move cannot be restricted!

### ACTIVITIES during the PANDEMIC Highlights for 2021

# Zoom

**BOYS AND GIRLS FELLOWSHIP NIGHT**

**Goodbye, Pastor Ravi**  
*"He has taught us others can simply live."*

*"I have fought a good fight, I have finished the race. I have kept the faith."*

**Since the start of the pandemic, the year 2020, BBPH is greatly affected. Most of the BB Coys, which were run by small Christian schools, closed and opted not to have BB Parade or continue with the BB Curriculum. Factor is the great adjustment as schools needed to shift everything**

**online, poor Wifi connectivity, and teachers as BB Officers are overwhelmed with so much more responsibilities than before. Thus, we can not force nor obligate the BB Coys to pay the Membership fee, thus, we can not give any recent statistics.**

**The BBPH EXO also lost its connection and fellowship with one another along the way, all of its members are all full time school administrators, or school teachers.**

**The different events above are meant to maintain our communication and at least engage with the BBPH members in spite of the different circumstances. All activities were done via ZOOM.**

## 5. 2021 Events Highlight

Due to Covid-19 and its measures, many of our events were hybrid – with either both a physical and online or purely online platform.

This year we presented our Founder's Award to 100 Boys by linking via video conference all the recipients being presented their awards in their respective schools.

After 36 years of tenancy, BBHQ moved out of 105 Ganges Ave in September 2021 and will move into our new headquarters at 10 Kwong Ave in the first quarter of 2022. We held our Relocation Ceremony via Zoom and broadcasted on Facebook Live on 25 September 2021.

The Annual Officers' Retreat was held as a day conference online 9 October. The Boys' Brigade and The Girls' Brigade also organised a joint Thanksgiving Service online on 23 October.

The annual BB Character Quest was organised fully online, with Boys learning important values and truths from the books of Genesis and Proverbs, capitalizing on online platforms such as Kahoot and Gather.

The President's Award will be presented to our 9 deserving recipients at the Istana by the President of the Republic of Singapore on 14 December 2021.

## 6. Events for 2022

We plan to hold our annual JMF Award Prize Presentation, President's Award Prize Presentation Ceremony and Founder's Award Prize Presentation. Our competitions include the BB Blaze, Character Quests for both Juniors and Seniors Programme. Other events include BB Share-a-gift and our Pipes & Drums fiesta at the end of the year.

We will be moving into our new premises in the first quarter of 2022.

## 7. Prayer needs

New BBHQ development. Renovations of the site has been pushed back to begin in November, with estimated completion in March 2022. Due to COVID-19, building and renovation costs have gone up. Please pray that we will be able to identify and choose the right contractor and that the works will proceed smoothly. Do also pray for our fundraising efforts to meet the cost of the renovation works.

As BB Singapore operates in schools, there have been many interruptions ranging from cancellation of activities and the schools not allowing volunteers onto the premises due to COVID-19 restrictions. Many Companies have had their meetings online but some could not mount them regularly, also due to constraints. Our prayer is also that Officers and Boys will persevere during this period to try and stay connected, that Officers will not grow tired and that Boys will maintain their interest.
